THERMAL SUPPLIES LIMITED WARRANTY*

Thermal supplies are guaranteed to perform satisfactorily in the machines for which they are specified. They are warranted to be free of defects in material and workmanship. The obligation under this warranty is limited to exchange of materials which prove to be defective under normal use within one year of original purchase. This proof must be acceptable to PSI.

PSI also warrants the appropriate usage of its thermal supplies against any damage to the equipment. Upon satisfactory proof of claim, PSI will replace the PSI products causing the damage, and reimburse the original purchaser for the cost of parts and labor to repair the equipment. Acceptable proof shall be a written statement on the equipment manufacturer's letterhead explaining how PSI products caused the damage.

The warranties stated above are in lieu of all other warranties, oral or implied.

*In order to back our pledge, PSI requests:

- a) An official, signed document from a machine service representative that states abnormal wear and tear can be established as a direct result of exclusive and continuous use of PSI products.
- b) And, that reasonable precautions have been undertaken in the storage, handling, distribution, and use of PSI products.
- c) Return a sample in question to PSI.
